

Fynamore Primary School

Physical Education Grant 2014/15

Spending and Impact

What is PE Premium?

The Government is providing additional funding to improve physical education and sport in primary schools. This funding can only be spent on the provision of PE and sport in school.

Fynamore School received £9411 for 2014/15

How do we invest this money at Fynamore Primary School?

At Fynamore we have chosen to invest our money to maximise the longer term impact of PE provision for both pupils and staff. We invest our money in external coaches, lunchtime clubs and catch up swimming lessons.

OFSTED stated during our most recent inspection that:

“The school uses its sport funding allocation effectively to provide pupils with the chance to experience different sports and enter local competitions. Local sports coaches work alongside staff to help develop teachers’ knowledge and experience. Funding also provides additional resources and activities run by coaches at lunchtime.”

Ofsted, 2014

Provision Plan 2014-15

Ofsted guidance says the funding should:

1. Increase participation rates in activities such as gymnastics, dance, games, athletics and swimming (OG1)
2. Increase success in competitive school sports (OG2)
3. Make the PE curriculum more inclusive (OG3)
4. Grow the range of traditional and alternative sporting activities (OG4)
5. Improve partnership work on PE with other schools and local partners (OG5)
6. Increase links with other subjects that contribute to pupils’ overall achievement and their greater social, spiritual, moral and cultural skills (OG6)
7. Greater awareness amongst pupils about the dangers of obesity smoking and other such activities that undermine pupils’ health (OG7)
