Dear Parents

Thank you for all your patience while we recruited the best Headteacher for our school. We are pleased to announce that we have appointed Ms Sarah Weber, who will start in January.

Ms Weber is a nationally recognised leader of education with a proven track record of positive impact in a variety of diverse schools. She is recognised for the hard work and dedication she gives to education and her desire to give her very best to children, their education and the staff that she works with. Ms Weber joins us from Batheaston School, where she has been Headteacher since 2008. She has been a National Leader of Education since 2013.

We are genuinely excited that Ms Weber's experience, fit with our school and capability to take the school forward in both the short and long-term is second-to-none. Ms Weber shared:

"Fynamore is a vibrant, welcoming and hardworking school. I am really looking forward to working with your enthusiastic children, staff and governors. It is a privilege to be given the opportunity to join you all in helping to create a memorable and wonderful school experience for each child.

This term, I will be working with Mr Cook, the staff and governors to ensure a smooth transition for the school as we change the leadership team. I am grateful to all those who are stepping up this term to help make this process a success.

There are many ideas and projects which I believe will help us all to keep building on the excellent practice and ethos at Fynamore. One of my first priorities is to listen so that these developments fit the school's uniqueness and help build our community relationships. The governors and I are currently planning how we can quickly capture your parent/carer voice and gather your ideas.

I am really looking forward to joining Fynamore in the New Year!"

We hope you will join us in welcoming Ms Weber to Fynamore.

In the meantime, Mr Cook will continue as acting Headteacher until Christmas. From January, he will be taking up the post of Headteacher at Luckington Primary School. We would like to thank Mr Cook for his support and dedication in this unprecedented period of change for the school and wish him well in his new post.

Yours faithfully

Stella Fowler
Chair of Governors
