Dear Parent

Year 6 SATS Information - Monday, 11 February

SATS tests for Year 6 children will be happening in May. Parents are invited to attend an information evening on Monday 11 February at 4:30 pm - 5:15 pm in Beech Class. Children are welcome to attend, although this will be covered with them at another time. The school will explain what SATS tests involve, the type of things that the tests will cover and how to prepare and support the children. You will also have the opportunity to ask any questions that you might have.

If you are unable to attend please speak to your child's class teacher if you required any information.

If you are interested in attending, we would like, where possible, for parents to consent on line via SCOPAY. We are asking you to state the number of adults attending the meeting and whether your child will also be in attendance.

Once you have logged into SCOPAY, please click on **View**. This will open up a pop up box. Click on either 1 or 2 for the number of adults and click on child if required

If you experience any issues with SCOPAY, please contact the school office. If online access is not possible, please collect a slip from the school office.

Yours sincerely

Mr Light & Mrs Burch
Year 6 Teachers
