30 January 2019

Dear Parents

Pupils in Year 6 have been invited to attend a science lecture at St Mary's School on Tuesday, 12 March 2019. It is entitled "Journeys" and is about comets which fits in with our topic for Terms 3 & 4 – Space: Out of this World.

It will take place in the afternoon during our usual science lessons and is in support of this year's British Science week. We will walk to and from St Mary's School. We will be leaving after lunch and arriving back for the end of the school day. Please note that the last session finishes at 3:00 pm so we may return back to school a few minutes late.

We are looking forward to a fun and very enriching afternoon providing something a little different than we can provide here at Fynamore School.

The trip has been set up on SCOPAY to allow you to tick your consent online. If this is not possible please come to the school office to collect a paper consent slip.

Please complete the consent by Friday, 1 March to indicate you are happy for your child to take part.

Yours sincerely

**Mrs Burch**  
**Year 6 class teacher & Science Coordinator**
