

Fynamore Primary School Communication Flow Chart

Class Teachers

In the vast majority of circumstances, your child's class teacher should be the first person you should contact. The best time to speak to them is at the end of the day. Should you wish to have a longer conversation you can ask the office staff to arrange a meeting or phone call with them.

Team Leaders

You may feel that an issue needs further attention or you would like further support and guidance. In this case, you should ask the class teacher to arrange a chat with one of our team leaders.
