Folly Farm Residential Kit List

Below is the kit list for your visit to Folly Farm. The priority is to make sure you are warm and dry, wearing clothes that you won't mind getting a little wet and muddy.

- Waterproof jacket / coat
- Waterproof over trousers
- Wellies or walking boots
- Lunchbox (with a packed lunch for Day 1)
- Plastic reusable drinks container / bottle
- Sleeping bag
- Pillow case
- Warm gloves and hat
- Thick socks
- Backpack/rucksack (big enough to fit in waterproofs, spare jumper, lunch, drink etc.)
- Indoor shoes / trainers / slippers
- Comfortable trousers, 2 pairs at least – we recommend trousers over shorts due to the risk of stinging nettles and biting insects. Preferably sports or outdoor trousers, **NOT** jeans.
- Comfortable tops (lots of layers: T-shirts and jumpers to keep warm)
- Underwear and socks – enough for the duration of the visit plus some spare pairs
- Nightwear
- Toiletries
- Towel

- Torch (optional)
