

Fynamore Primary School

Physical Education Grant 2018/19

Budget and Plans

What is PE Premium?

The Government is providing additional funding to improve physical education and sport in primary schools. This funding can only be spent on the provision of PE and sport in school.

Fynamore School will receive £19460 for 2018/19.

How do we invest this money at Fynamore Primary School?

At Fynamore we have chosen to invest our money to maximise the longer term impact of PE provision for both pupils and staff. We have invested our money in external coaches, who deliver high quality sessions in a range of different sports, not only enhancing the curriculum for the children but also providing invaluable CPD opportunities for staff through a mentoring programme. We have also invested money in the provision of lunchtime clubs, with a view to maximising participation in active games at lunchtime. In addition, the PE premium has allowed the school to subsidise after school sports clubs, employ an additional swimming coach and provide catch up swimming lessons for pupils in year 6. Finally, the funding will also enable the school to take part in a number of different external competitions and tournaments.

Provision Plan:

Ofsted guidance says the funding should:

1. Increase participation rates in activities such as gymnastics, dance, games, athletics and swimming (OG1)
2. Increase success in competitive school sports (OG2)
3. Make the PE curriculum more inclusive (OG3)
4. Grow the range of traditional and alternative sporting activities (OG4)
5. Improve partnership work on PE with other schools and local partners (OG5)
6. Increase links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills (OG6)
7. Greater awareness amongst pupils about the dangers of obesity smoking and other such activities that undermine pupils' health (OG7)
