

Country X

Children will reach objectives, comparing various human and geographical features the UK and a country they choose.
They will look at various important historical artists and try to replicate their work
(Independent work)

Project Grow!

Create maps of the school's garden, using various different methods. Including an accurate scale map.
Plan, design and create their own mini allotment including mini structures and soil
(Independent work)

Year: 4

Term: 5 and 6

Topic: World's Kitchen
Project-based Learning Enquiry

Fynamore Pizza Co.

Children will understand where different types of food are grown in the world.
Conduct market research.
Design and create their own pizza and smoothie.
Evaluate their own product (tasting!)

(Paired work)

My Charity

The children will research global issues and discuss reasons for food shortages around the world. Work collaboratively to come up with fundraising ideas and create a charity.
Create an advert to persuade people to donate.
(Group work)
