Dear Parents and Carers

I know that you will have heard about the tragic death of Ellie Gould this weekend. I understand that this terrible news has affected our community and some of you will know Ellie's family.

Ellie was a pupil at Fynamore and many of our staff remember her as a delightful girl and have lovely memories of Ellie, her brother and family. We send all our sympathy and care to Ellie's family and friends.

The Local Authority advise us that we can signpost you all to the Hardenhuish website if you would like a list of organisations which support feelings of grief. I would also really recommend 'Winston's Wish' (www.winstonswish.org) as a good, informative and supportive website.

Please do contact us if you think your child will need more support this week and beyond. Please email the office, drop in or phone. We will make sure that we have familiar adults available to talk with. Could you please let your child know that they can talk with an adult if they wish.

If you would like to send Ellie's family a message of sympathy, and would like us to make sure they receive it, please hand it in at the office.

Although I am new in this school, I have already realised that we are surrounded by a caring and close community who will be looking after everyone.

My very best wishes to you all,

Sarah Weber
