4 June 2019

Dear Parent

### **Sports Day 2019**

As you are aware, Sports Day is fast approaching and will take place on **Friday, 21 June**. In the event of poor weather, please be advised that the reserve date will be Friday, 28 June.

The children are very excited about the day and will be practising the activities during their PE lessons over the next few weeks. Like last year, the children will follow a carousel of activities with YR/KS1 participating first, followed by KS2. The YR/KS1 events will begin at 9:15am and will be immediately followed by the KS2 events. We anticipate that the activities will finish by 12:00 noon. The final event of the day will be the Year 6 relay, which all parents and children are invited to watch.

We welcome all parents to come and watch their children; there will be a number of parent zones allocated to ensure that all parents have the opportunity to see their children taking part in each of the activities. FOFSA will also be selling refreshments for parents. We remind parents that they are very welcome to take photos on the day, but that no photos or videos should be posted on social media. You will find the timetable for your child's activities below; this will enable you to watch them in a range of different events throughout the morning.

Children will all represent their house on the day, allowing for a healthy and positive element of competition. They will compete within their classes against the other houses. We ask that the children come to school in their PE kit and that they wear **plain t-shirt in their house colour**. Children will wear their PE kit all day so do not need their uniform to change into. If you are unsure of child's house, please speak to their class teacher or the office. As a reminder, house colours are as follows:

George – Blue  
Lansdowne – Green  
Harris – White  
Boswell - Red

We hope to make the day as fun as possible for the children and will strive to make it a great event for parents to watch. We look forward to seeing you all on Friday, 21 June.

Yours sincerely

**Miss Scullion**  
**Assistant Headteacher**

## Sports Day Timetables

The below tables show the order in which each class will complete the activities for sports day. The YR/KS1 events will begin at 9:15 am. The KS2 events will begin at approximately 10:30. The children will spend 10 minutes on each activity, following which a klaxon will sound, alerting each class to move on to their next activity. Parents are encouraged to move around the parent zones, so that they are able to see each activity. After the KS2 activities have finished, the Year 6 relay will take place; all children and parents will be able to watch this.
